Professional Summary

React Developer with **3+ years of experience** building scalable, high-performance, data-driven web applications for enterprise clients. **M.Tech**  **graduate from BITS Pilani**, with strong expertise in **React.js, Redux, Hooks, and modern JavaScript (ES6+)**. Skilled in **component reusability, performance optimization, REST API integration, and responsive UI development**, delivering clean and maintainable frontend solutions.

Skills

Front-End Technologies

- HTML, CSS, JavaScript(ES6+), React.js
- Redux/Redux Toolkit, React Hooks, Context API
- Performance Optimization (useMemo, useCallback)

Other Tools & Concepts

- Git, GitHub
- Postman
- Docker

Back-End Technologies

- Node.js, Express.js, REST API Integration

Database Technologies

MongoDB , Mongoose

PROFESSIONAL EXPERIENCE

React Developer Wipro Limited | Mumbai, India

2024 – Present

- Developed a **data-driven monitoring dashboard** using **React.js**, displaying frequently updated backend data via REST APIs.
- Implemented **efficient data refresh and state update mechanisms** to ensure real-time-like UI behavior without full page reloads.
- Built and maintained **reusable, modular React components**, improving development efficiency and UI consistency.
- Optimized frontend performance using **useMemo and useCallback**, reducing unnecessary re-renders.
- Integrated REST APIs and managed complex UI state using **Redux and React Hooks**.
- Collaborated with backend teams, designers, and clients to deliver responsive and scalable frontend solutions.
- Participated in code reviews and followed best practices for clean, maintainable React code.

Frontend Developer (React) Wipro Limited | Mumbai, India 2022 – 2023

- Developed interactive and responsive user interfaces using **React.js, JavaScript, HTML, and CSS**.
- Implemented **Redux-based state management** for scalable frontend architecture.
- Integrated REST APIs and handled data fetching, loading states, and error handling.
- Improved UI performance and cross-browser compatibility.
- Worked in an agile environment, contributing to sprint planning, development, and timely delivery.

Education

Master of Technology (M.Tech) Birla Institute of Technology & Science (BITS),
Pilani

2022 – 2025
Mumbai , India

Bachelor of Science in Information Technology

2018 – 2021
Mumbai, India
