

Kiran More

Frontend Developer (React.js) • Mumbai, India • 9373189371 • kiran.more.fnd@gmail.com • [LinkedIn](#) / [Portfolio](#)

SUMMARY

Frontend Developer with 4+ years of experience building **scalable, responsive, and user-centric applications** using **React.js, Next.js, and modern JavaScript (ES6+)**. Drove **12% conversion growth** and a **47% increase in user engagement** through optimized user flows and data-driven UX improvements. Strong **UI/UX skills (Figma)** with experience in **API integrations, testing, and production deployments**. Served as the **sole frontend owner**, led a **3-member Agile team**, and collaborated closely with the **CEO** to align frontend execution with business goals.

EXPERIENCE

Frontend Developer — *IceSpice Technologies*

Aug 2023 – Present • Mumbai, India

E-commerce + Loyalty Platform

- Designed and developed role-based dashboards for Admin, Merchant, Publisher, and Analytics users.
- Improved existing UI workflows to enhance usability and navigation across the application.
- Collaborated with backend and QA teams to debug issues and validate API integrations.
- Assisted in feature enhancements, bug fixes, and application maintenance within an agile team setup.

A4 Analyst — *Aricent Technology*

Nov 2020 – Aug 2023 • Gurgaon, India

- Delivered responsive, high-quality, defect-free user interfaces for enterprise-grade applications.
- Participated in annual testing cycles to ensure application stability.
- Actively engaged in sprint planning, discussions, and reviews.
